HAND DELIVERED ☐

Dear Ms. Sheppard:

We are mailing our April 15 report by certified mail today or tomorrow. I thought I would write to explain what we had done with the redesignations and refunds, so you might not be as confused as we were about them.

We ultimately treated \$76,460 of the \$81,311 transfer from the 1984 Committee as subject to redesignation or refund; this amount is more than I had previously indicated, due primarily to an overzealous staff worker who went back further than instructed. Since the corrective action was already accomplished when I found this out, I did not attempt to undo it.

It is our position that we had sixty days from the time we determined that your original assertion was correct in order to obtain redesignations or refund the contributions. This sixty day period did not expire until April 3, so some of the actions will appear on our May 17 report rather than the April 15 report. In any event, our action is summarized as follows:

	<u>Included in April 15 Report</u>		<u>To Be Incl in May 17 Report</u>	
	<u>Refunded</u>	<u>Redesignated</u>	<u>Refunded</u>	<u>Redesignated</u>
Individuals	\$ 500	\$ 1,285	\$ 2,125	
PACs	<u>5,200</u>	<u>31,500</u>	<u>34,350</u>	<u>\$1,500</u>
Total	<u>\$5,700</u>	<u>\$32,785</u>	<u>\$36,475</u>	<u>\$1,500</u>

I hope this explanation is helpful to you. I will forward next week a complete listing of the refunds and redesignations in April. If you need additional information, please let me know.

Very truly yours,

Larry J. Steinberg

Dear Ms. Sheppard:

Enclosed is a listing of redesignations and refunds which have been made since our April 15 report. The amount of PAC refunds is \$500 less than I indicated in my letter of April 13; that letter is in error due to a mistake in addition. The amount which we refunded or redesignated from the 1984 Committee is \$75,960. If you need additional information, please let me know.

We are experiencing a problem now, in that some PACs to which we made refunds have redesignated after the end of our 60-day period. While I believe we were correct in making refunds within this time frame, some PACs are saying that they have now filed reports indicating a redesignation, and don't know how to handle the refund. Do you have any suggestions? If so, please call me at (502) 584-2337 so we can discuss. Thanks!

Very truly yours,

FEC FORM 3
(Revised 4/87)

9100042775

**McConnell Senate Committee '90
Note to Amended FEC Form 3
January 1 through March 31, 1990**

A recent communication from the Federal Election Commission advised that an excess contribution of \$125 had been received by the McConnell Senate Committee '90 for the 1990 primary election from the Ice Cream and Milk PAC. Committee records reflect that a letter was received from this PAC on January 7, 1990, which redesignated \$125 from the 1990 primary election to the 1990 general election. This redesignation was mistakenly omitted from the memo Schedule A for Line 11 (c) in the original FEC Form 3 for the period January 1 through March 31, 1990, and this amendment corrects that omission.

Identification Number: C00193342

Reference: July Quarterly Report (5/10/90-6/30/90)

Dear Mr. Steinberg:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-All contributions received by your committee from 5/10/90 through 6/30/90 are required to be reported on this report. Your committee filed 48 hour notices disclosing "last minute" contributions from The Republican Party of Kentucky and The National Steel PAC on 5/25/90 and 5/24/90 respectively. These contributions do not appear on a Schedule A of this report. Please amend your report to include these contributions or provide an explanation of these apparent discrepancies.

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-Primary report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to make concerning this matter will be taken into consideration. (11 CFR §104.5(f))

90036541540

-You must provide the occupation and name of employer for each contributor required to be itemized on Schedule A and Memorandum Schedule A. Please amend your report by supplying the omitted information.

With respect to the occupation and name of employer of the contributor, your committee may demonstrate "best efforts" to obtain the required information. This demonstration must describe your committee's procedures for requesting the information. You may also supply a copy of the solicitation. Under 11 CFR §104.7(b), the solicitation shall consist of a clear request for the required information (i.e., name, mailing address, occupation, and name of employer). The request should also inform the contributor that the reporting of such information is required by law. See 11 CFR §104.3(a)(4)(i) and 11 CFR §104.7.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2480.

Sincerely,

Pat Sheppard

Reference: July Quarterly Report (May 10 through June 30, 1990)

Dear Ms. Sheppard:

This letter is in response to your letter dated August 28, 1990 requesting clarification of certain items in our above-referenced report.

- Although we reported a "last minute" contribution from the Republican Party of Kentucky, that contribution was refunded prior to the closing date of the report, and thus neither the receipt nor the refund was required to be reported. This is consistent with the treatment on the corresponding report for the Republican Party of Kentucky.
- A "last minute" contribution notice was provided for the "National Steel Corporation (NII PAC)." This contribution was included in our July Quarterly Report as "Nat. Intergroup PAC" on page 3 of the detailed schedules for line 11c. The address used in our 48-hour notice was the corporate office, while the address used in our report was the address for the PAC.
- While we instituted procedures to ensure meeting our obligation to provide notification of "last minute" contributions, we did inadvertently fail to provide such notice for a few "last minute" contributions, although I believe we have substantially complied with the requirement. We have reviewed our procedures for tracking such contributions to assure their proper reporting, so that we should not have a problem in this area in the general election.
- With respect to our "best efforts" procedures for obtaining occupation and name of employer from contributors, either our solicitation card

or a letter accompanying it indicates that the reporting of such information is required by law. (See attached copy of one type of solicitation card.) If the information is not provided at the time a contribution is received, then our Director of Operations mails a letter indicating that this information is required under Federal Election Commission guidelines and asking contributors to provide this information. (See attached letter form.) A card and a postage-paid return envelope are enclosed. This letter is sent at least two times. If no response is received and if we are able to obtain a number, we will follow up by a telephone call. These procedures are the same for contributions received direct by our Committee and for earmarked contributions, contributions received through joint fund-raising committees, etc.

Please advise if further information is necessary.

Very truly yours,

Dear Ms. Sheppard:

With regard to your inquiry of June 25, 1991, the negative entry on Schedule D resulted from a misunderstanding on my part of the amount of our obligation to the indicated creditor, and was not the result of forgiveness or settlement of debt for less than the amount owed. I apologize for not including this information in our original filing.

Very truly yours,

Larry J. Steinberg
